

Do you want to help make a positive difference in the lives of people impacted by Motor Neurone Disease?

GET INVOLVED

BECOME A SUPPORTER

Most of MND Queensland's work is funded through donations, community events, grants, bequests and other fundraising activities. Our valued supporters help us to provide services and support to people affected by Motor Neurone Disease throughout the State.

Since 1983 - with the support of people just like you - we have been able to provide services like our MND Advisory Service (information, advice and referrals) and our MND Equipment Service (low-cost assistive technology and medical equipment rentals, from wheelchairs all the way through to hi-tech eye-gaze communication devices). We've also introduced Coordination of Supports under the NDIS and an Occupational Therapy service.

Other than our self-generated NDIS funding, we do not receive any ongoing government support, so the support of the community is extremely important for our provision of services.

You can get involved and become a supporter through a variety of ways as outlined further in this flyer.

WHAT CAN YOU DO?

DONATE OR BECOME A REGULAR GIVER

Regular donations are a fantastic way to support MND Queensland's work to help people affected by MND. It gives our organisation certainty on a regular income that we can depend on. To set up a monthly donation or give a one-off donation use the response form on this flyer or visit www.givenow.com.au/mndaq.

LEAVE A BEQUEST IN YOUR WILL

Bequests are a way to leave a lasting legacy and help make a positive difference to people with MND. They can also be a way to honour a family member or friend. Wording to help you leave a gift in your Will to MND Queensland can be found at www.mndaq.org.au/Donate/Leave-a-Bequest.

ICE BUCKET CHALLENGE

#EVERYAUGUSTUNTILTHEREISACURE

The Ice Bucket Challenge began in 2014. It involves people taking a bucket of ice water and tipping it over their head, they then make a donation and nominate three other people to take the challenge. This world-wide phenomenon helped to raise the profile of MND as well as raise much needed funds. While August has been set as the official month for the Ice Bucket Challenge, you can do the Ice Bucket Challenge at any time.

Become a hero for MND. It's free and easy to create your own online supporter page and approach your friends, family, colleagues and contacts for tax deductible donations. HOST A 'DRINK TEA FOR MND' PARTY

Gather your friends and colleagues and host a Drink Tea for MND event to raise vital funds to support the delivery of our programs and services. Just pick a date, provide some catering and ask your friends to make a donation instead of bringing a plate or a gift. You can make it fun with games and prizes too.

HOST A WALK TO D-FEET MND EVENT

Looking for an activity to help raise awareness of MND in your local area? How about holding your own Walk to D-Feet MND event? Your efforts will help raise funds for much-needed research that is seeking causes and cures for MND. We can help you with every step of the way.

MUTE ME FOR MND

Get sponsored to stay silent! Sadly, people with MND lose their ability to speak, so stand in solidarity with them through a sponsored-silence fundraiser. This is a great way for schools and businesses to get involved. It helps you find creative ways to communicate and raises vital funds at the same time.

DONATIONS IN LIEU OF GIFTS/FLOWERS

You might be having a special occasion and don't want gifts. Why not suggest donations to MND Queensland instead? Or you may be having a funeral for a loved one, why not suggest a donation in their memory instead of flowers? We can help you with these types of donations, so please get in touch.
